

# CONNECT

HOWDY,

Thank you for your interest in becoming a part of CONNECT, a premier co-ed nonprofit service and social organization at Texas A&M University. As a reminder, this document can serve only as a guide and **CANNOT** serve as an application.

CONNECT focuses on providing assistance to the BCS community by directly serving through labor and presence. CONNECT will develop its members in leadership, selflessness, and commitment while providing a social outlet that will foster long term relationships.

For the upcoming Fall 2023 CONNECT recruitment, we believe we've created an admissions process that is reasonable and fair. We cannot stress enough the importance we've placed on not only getting to know our applicants through this entire recruitment process, but also making sure all potential applicants know what kind of organization we are and strive to become. For more information on our admissions events, as well as directions to the online application, we strongly encourage you to check out our website: **tamuconnect.com**

If you're interested in becoming a part of this rapidly-growing nonprofit organization, please complete the application form by **5:00 PM Friday, September 8th, 2023**. The application form can be found through **MAROONLINK ([maroonlink.tamu.edu/organization/connect](https://maroonlink.tamu.edu/organization/connect)) and our Instagram @tamuconnect**. [Do not click "Request Membership"! That is not the application.]

Our online application contains three (3) short answer questions. We expect applicants to answer all questions truthfully, while allowing us to get to know them as best as possible.

The questions on our application are as follows:

1. What is one way that CONNECT might benefit your day to day life AND how do you see yourself functioning as an asset to the organization?
2. What is one moment that made you genuinely happy to serve someone else or a group of people?
3. What are one or two things that you are passionate about and why?

\*\*\*Note: The word limit for each individual question is 500 words\*\*\*

If you have any questions, please do not hesitate to contact us at: [tamu.connect1@gmail.com](mailto:tamu.connect1@gmail.com)

We thank you for your interest in CONNECT,
